

Accommodations

The International Affairs and Corporate Relations division will send list of dormitories located near the campus along with the greeting message to new exchange students at least 1 month before semester starts for consideration.

Note

- ❖ There are not so many dormitories accept a five -month-contract for an exchange student who will study at SIIT for 1 semester. Student don't have many choices.
- ❖ Most of dormitories are a studio room, or a one-room unit with private bathroom **WITHOUT** kitchen. Most of these units are furnished and charges for utilities which are generally not included in the rent. A blankets, a pillow and a bed-sheet are not provided.
- ❖ For room reservation, we will assist you to contact dormitories on the list. Students are required to transfer a deposit fee of 10,000 – 30,000 baht directly to the dormitory's bank account as a room reservation.
- ❖ All students are required to fill in the online room reservation form. The link will be sent with the greeting message.
- ❖ If your stay is less than the period of the contract, the deposit fee will be charged!! Please make sure before you select a dormitory.
- ❖ Our staff can assist to contact the listed dormitories for you, but cannot guarantee whether it will be available or not. Thus, after receiving the greeting message, please do not hesitate to consider, and confirm with us.
- ❖ If you would like to search for a dormitory by yourself, SIIT recommends that you stay in a temporary accommodation for the first few nights in order to find a suitable longer term accommodation option. By the way, please note that the dormitories are rapidly fully booked.
